

P.O. Box 546, Willoughby OH 44094-0546

Dear Local business Person,

The Willoughby Starzz Girls Fast Pitch Organization is a 501c3 non-profit organization which is currently working to raise funds to send our six Willoughby girls travel teams to various tournaments this summer. We are asking for your support on sending the girls to more tournaments and, if given the opportunity, to participate in any national tournaments.

The banner sponsor program works like this: each of our six teams travel with a banner and it's displayed at every game played locally and around the state. You can put your company logo on as many banners as you wish. Prices are: \$125.00 per banner or \$500.00 for all 6 team banners. If you sponsor all 6 teams your company will be placed on our web site for FREE. **This is a savings of \$300.00.** Act now as space is limited.

The web site sponsor program works like this: for \$125.00 you will receive your company's name, address, phone number, company logo (with a link to your site) and your URL on our website. In the last 12 months our web site has had over one half million visitors! (<http://www.starzz.us>) As stated above if you are a 6 team banner sponsor you will be added to the web site for FREE.

The banner and web site sponsor program works like this: for \$175.00 you can become a banner and web sponsor. Your company's logo would be placed on the banner and all benefits of being a web site sponsor!

Act now and show your support for the Willoughby Starzz fast pitch teams by providing your company's business card and your check payable to: Willoughby Starzz. The Willoughby Starzz would like to thank you in advance for your support.

I would like to sponsor the following teams:
